

NITROLEADS CRM TROUBLESHOOTING GUIDE

1

Contact helpme@fullthrottle.ai to confirm that the correct CRM lead email address was connected to Nitroleads.

2

Make sure your CRM Lead Report is not filtering out unknown sources. The leads will be labeled as **Nitroleads** by FullThrottle.

3

Contact your CRM support to have the lead From Address whitelisted to bypass any CRM privacy walls. The address is: hello@updates.nitroleads.ai
If you need assistance placing the ticket, contact helpme@fullthrottle.ai.

4

If you are still not receiving leads, please share the CRM login credentials to helpme@fullthrottle.ai for our Product Support Analyst to login in directly to assist.
